William’s Houses is located in Akrotiri Village, on the southern side of Santorini island with a panoramic view across Caldera.
It consists of apartments – mezonette – rooms, fully equipped with all modern amenities. Each apartment has a private veranda with view to the largest balcony of the Mediterranean Sea, the Caldera of Santorini Island. Gazing at the volcano and the deep red mountains of the island, creates a magical sense of calmness and relaxation where you can enjoy any time of the day from the private verandas of our rooms.
