Villa Anto is located nearby Fira, just only 1,5 km nearby the center of the capital in a peaceful area away from the noisy, it is a family managed hotel made of 10 rooms, completely restored and well designed, modern clean details got mixed with original tradition style of the island. We love to welcome all guests as friends, it is really important for us your kind of stay! The rooms are really comfortable, open spaces, furniture is clean built as in the past the locals used to do.
