Villa Meliti is a newly built hotel complex. Its consisting of 6 apartments capable to accommodate 2-5 persons and 1 studio for 2-4 persons.
It took its name from Nereid Meliti who, according Greek Mythology, was one of the prettiest
daughters of Nireus God of the Sea. The complex is located at the famous settlement of Platis
Gialos, one of the finest beach resorts in Mykonos island.

Luxurious decorated with great attention to Mykonian architecture, all apartments and the studio
of Villa Meliti feature a spacious, elegant and comfortable living room, one or two bedrooms,a modern and fully equipeded kitchen with stylist dining area and cozy bathrooms.

The unique decoration of each apartment consists of wood roofs, built-in coaches with big bolsters in summer colors, built-in showers according to the mykonian architecture, hand made furnitures, fire places and private verandas with breathtaking view.
