Delfini Villas, a small gem in the heart of Oia village, built with great care to the local traditional architecture of Santorini with breathtaking views of the caldera cliff and the volcanic islands, offers a unique Santorini experience!

Guests enjoy the relaxed atmosphere and personalized services. Choose between the Classic Room or the Executive Suite which radiate intense romance with elegant decoration and respect to the traditional style of the island for luxury accommodation.

Our smiling hostess will be at your service to help you organize memorable vacations in Santorini. Authentic hospitality, comfort, luxurious rooms and breathtaking views of the deep blue Aegean sea and the volcano.

A private spa tub with each accommodation completes a picture that seems as impossible to create as it is perfect to experience.

The hotel has a wealth of facilities and services. Free private parking is also provided, which is of great value, since very few hotels in Santorini have this capability.
