Τηλέφωνο: 2832091476

Here at Rozmari, our mission is to make your dream of hospitality and relaxation come true with our formula of authentic charm. The hotel offers 5 unique rooms in the picturesque village of Agia Galini, Crete. Rozmari is a structure of 20th century. Rozmari has been renovated with care and attention to detail. The modern design and facilities are combined with the romance of the era and the spirit of the village of Agia Galini .Each room has its own individual character and style. Get ready to discover a genuine experience of hospitality at Rozmari, combining charm with the comforts of modernity. Each and every room is different and unique, with individualized layout, design, styling and decoration. All the rooms , however, share

certain common characteristics, such as: painted ceilings and frescoes, marble –pebbled baths, new and design objects, quality linens and bath products. The spa is exclusively available to you – whether you wish to spoil yourself alone, as a couple, with family or friends. It is a journey tailored to achieve ultimate results, with a completely individualized approach.
