Andriana's House is a traditional accommodation with expansive views across Kioni Bay on the Greek Island of Ithaca. Kioni Bay is undoubtedly one of the most picturesque harbours in the Ionian and notably one of the finest seaside villages in Greece. You can see from the village to the windmills and beyond from Andriana's large terrace. Visitors who have set foot in Kioni are quickly charmed by its beauty and the friendly locals and return again and again and again.
