Kamarotí Suites Hotel is nestled on a natural olive grove overlooking the antique village of Kastro with the blue backdrop of the magnificent Aegean Sea. Our philosophy is that of the small charming guesthouses that would become a home for the traveler. Being respectful to the traditional islands architecture and adding all the modern comforts, Kamarotí will try to make your stay a real journey into the millenary islands tradition, cuisine and people. Its location offers a natural protection from the north winds that will allow a quiet and peaceful stay for a memorable vacation. The best place to experience a complete immersion into the islands traditional atmosphere and beauty. Using materials and colors that reverence the natural beauty of the surrounding olive grove Kamarotí Suites creates the ideal environment for a wonderful experience. All different and unique, its

rooms, suites and villas will give you the feeling of a private residence. Each one offers its own private open-air terrace with unobstructed sea view that merges the inner space with the beauty of the surrounding groves.
