Ideal destination for relaxation and rejuvenation of the senses, the Brentanos Apartments is a "little paradise" in the cosmopolitan Greek island "Corfu". Next to the magical forest of the historical "Achilleion Palace", the old picturesque port of "Benitses village" and just 8 km from the cosmopolitan town of Corfu, our ideal location is a crossroad of options, relaxation and fun. At our complex you can enjoy the panoramic view of the Ionian Sea, whilst sipping a drink at the pool or relaxing on your private balcony. The surrounding area combines olive and lemon groves with rose gardens, creating a serene and colorful environment.
