Ibiscus combine the elegant comfort of a complex of luxury rooms with the royal treatment of a boutique hotel, capturing the essence of luxury and the treasure in unleashing your desires.

The essence of Myconian beauty and lifestyle runs like a blue thread through a constellation of exceptionally spacious rooms.

Simplicity and elegance are the elements that echo everywhere while Mykonos' dazzling palette is setting the tone inside out in each house with white dominating the scene while the sugar-sweet pastels are adding their special touch.
