My name is Dimitris Sofianos, born and grown up in Eidsen-Maasmechelen (Limburg,Belgium). In 1994 i took de decision to move on to the fatherland of my parents, Crete. I went in search of a suitable job and found immediate work in the tourist sector, more specifically in rent of cars With the years expanded the rent a car company and i got more responsibilities. In 2000 i opened my own tourist office Alfa Travel and as from then i cooperate with the rentals of cars. Alfa Travel has approximately 90 cars of all classes: small, medium, large, automatic, convertibles, jeeps and mini busses. We are in the position to satisfy the demanding customer.We make sure that all our cars are in an excellent mechanical condition by frequent and thorough servicing.

Furthermore i organise excursions all over crete, jeep-quad-buggy- safari's, boat trips, Santorini cruises. For this i cooperate with well known offices in the field of tourism.

Our multilingual experienced guides (English, Russian, German, Deutch) will help you explore the unique beauties of Crete.
The customers who enter my office, can count at an enthusiastic treatment and excellent service.
I try approach to their wishes and ensure they have here a beautiful holiday.
