Hotel Cronulla first opened its doors back in 1988, when Stelios & Dia Kakoliris decided to begin an accommodation service in their homeland. The hotel was named after a suburb in Sydney, Australia, where they ran a Milk Bar and a Fish & Chips Shop. Hotel Cronulla began as an 18-room modest accommodation, but with the increasing popularity of Zakynthos Island, it expanded to the extent you see today - a 50-room hotel with very high standards. The visitors' main point of contact is the Reception, which is open throughout the main times of the day. We are always available to help or offer advice. So, please visit us soon and we promise you a warm and friendly welcome and a comfortable and pleasant stay - a mere 3km away from the Airport and just 5km from the capital of Zakynthos and its lovely harbor!
