Το οπωροπωλείο Μπουράκης Δημήτριος διαθέτει μεγάλη ποικιλία φρούτων και λαχανικών. The Bourakis family has been specializing in the sale of fruit since 1975. Bourakis Fruit Company is a medium-sized, flexible organization, which cooperates closely with top partners of good reputation. Due to direct contacts in the most important cultivation areas both in Greece and abroad, we can always respond quickly to new market developments. Since the business involves packing food, the company believes that the main concern when delivering quality is human health. While meeting our customers increasing needs and requirements, providing high quality and hygienic fruit, the company is very sensitive to protect the environment, the security and personal improvement of our team.
