360 degrees is a brand new loft hotel in the heart of Athens on Monastiraki square.

If you choose your accommodation at 360 you will find anything that a modern traveler needs in our days. You will feel the luxury in your home. Located just next to Monastiraki metro station which is connected directly either to El. Venizelos airport either Piraeus port automatically your journey becomes much easier.

Close to everything in walking distance that you are interested to see in Athens. The flea market, the beautiful neighborhood of Plaka, our traditional taverns with Greek food, the new era of Kolokotroni with great cocktail bars and restaurants. Walking through the magnificent Plaka you are getting to one of the greatest monuments Parthenon on the hill of Acropolis.

In our rooms we provide free wi-fi internet connection, satellite tv, 24hours room service, air-conditioning and of course our front desk is there to help you anytime for anything you need.

From our roof top you can enjoy the spectacular view to the Acropolis. You can have your dinner, your coffee, your cocktail either your breakfast. Our priority is to make you feel our warm hospitality, getting one hundred per cent of our services and make 360 your home.
