Welcome to DIVER'S PARADISE DIVE CENTER, a renowned destination for divers since May 1998. Our center is managed by Fanis Nikoloudakis, an experienced PADI IDC Staff Instructor, CMAS 3* Instructor, DAN Instructor, Medic First Aid Instructor, Emergency First Response Instructor, and IADS 3* Instructor.

Located at Laganas beach, just in front of the OASIS Beach Bar, and also at ELEON GRAND RESORT in Tragaki, our dive center offers two convenient locations to serve you.

As the first PADI Dive Center on the island, we take pride in our PADI Golden Palm 5* Resort status. Additionally, we are the official partner of International Yacht Training (IYT), a renowned organization offering powerboat training and certification.

For your diving adventures, we provide a 9m Hard Boat equipped with a powerful 250 HP motor, accommodating up to 22 divers. Additionally, we offer a 6.5m RIB (rigid inflatable boat) that comfortably accommodates 12 divers. This ensures flexibility in planning daily excursions to meet your preferences.

At DIVER'S PARADISE, your safety and comfort are our top priorities. We exclusively use high-quality equipment from leading brands such as Cressi and Aqualung. Our wide range of gear includes complete sets, tanks, regulators, and compressors to make your diving experience exceptional.

We offer a variety of diving experiences suitable for divers of all levels. Certified divers can enjoy escorted dives, while those seeking certifications can choose from a range of courses and specialties. Additionally, we offer Discover Scuba Diving Courses and Emergency First Response Courses. Explore thrilling dive options such as Cave Dives, Wall Dives, Deep Dives, and more.

In addition to diving, we offer a selection of diving equipment for purchase from reputable brands such as Aqualung, Cressi, and Beuchat. Our aim is to provide you with reliable gear for your diving adventures.

Experience the wonders of the underwater world with us at DIVER'S PARADISE DIVE CENTER. Our knowledgeable team will ensure your safety and deliver unforgettable diving experiences in these beautiful surroundings.
