The owner of the company Nikolidakis Ioannis has years of experience in the fields of construction, real estate planning, renovation and sale. Based on this experience, we always do our best to make things easier for you by carrying out all necessary procedures for the acquisition of real property. We can build and deliver homes of any kind, ranging from modern houses, apartments and villas to traditional-style houses made of stone, according to your personal preferences. In order to simplify the process for you, we can also carry out all procedures which are necessary for the purchase and sale of real property. For this purpose, we have created a network of specialized and experienced partners, such as notaries, lawyers, architects, civil engineers, accountants etc.
