The "SIRENA" Apartments are owned by the family Kouratora. Two brothers with their wives Vasso and Eve are there to provide the best service and the famous Cretan hospitality for their customers to make them feel like at home. This is one of the reasons that hundreds of customers visit the "SIRENA" for many years thereafter.

Another reason is the privileged position of the "SIRENA" apartments and studios, right in the center of the village of Agia Pelagia, right on the beach, just 1 minute from the Super Market, the shops, the jewelry and the souvenir shops. A total of 20 studios and apartments away from the noise hidden in the green grass, the palms and banana trees.

Owned by the family is also the cafeteria - beach bar "ICE" which is just in front of the complex on the beach. There, customers can enjoy a delicious snack meal, a refreshing drink or an ice cream in the evening.
