Mykonos Essence Hotel opened in 2015 in the settlement of Ornos, 250 m away from the homonymous golden sandy beach and 3,5 km from the island's principal Town (Hora). Our hotel is situated at a quiet yet central location, near beach bars and shops.

The traditional Cycladic decoration of Mykonos Essence offers guests a sense of genuine relaxation and tranquility. The hotel's stone-built premises, the architectural minimalism and, above all, the authentic hospitality and exceptional service of our team make Mykonos Essence Hotel an ideal place to stay for an unforgettable holiday in Mykonos!

Mykonos Essence features 30 rooms – 13 Classic Double or Twin Room, 8 Deluxe Room with sea view, 8 Superior Room with partial sea view, 1 Family Room – all noted for their Cycladic character and exquisite aesthetics. A bar-restaurant, a swimming pool and a pool bar are at the service of our guests, so as to relax and enjoy our kitchen's culinary creations.

There is a frequent bus towards Hora and back to Ornos and a regular taxi boat from the beach of Ornos to other famous beaches of Mykonos such as Paradise, Super Paradise, Agrari and Elia.
