Lord Travel Group was established in 1989 and has risen to be one of the largest Destination Management Companies in Greece with annual passengers in Corfu totalling over 120,000. Throughout the years the one factor that remains constant is the focus and commitment on service. After all we are in a Customer Service industry and we plan with this in mind. Lord Travel Group has resisted over the years to expand to other Greek Islands as we believe that our locality and the fact that we are closely involved with the business and local community on Corfu cannot be achieved elsewhere. Therefore we actively try to expand our range of services within Corfu. Whether you are looking for a Hotel, Transfer, Car Rental, Excursions or an Activity, here in Lord Travel Group we can help you and ensure that you have a memorable holiday.
