We are located in Katapola of Amorgos, the most natural port of Cyclades, with the three preserved and protected settlements. Pension Angeliki is situated in the second settlement. It is 350 meters from the port, less than 100m from the main beach and just 3 minutes walk from the bus terminal.

Its 6 rooms are on the 1st floor and feature a bathroom, air conditioning, TV, fridge, terrace with excellent sea view and all the utensils to prepare your breakfast. The ground floor has two separate rooms with communal kitchen and two bathrooms. These rooms can be rented either as doubles or as an apartment for four persons. We also have another apartment with interconnecting rooms, kitchen, air conditioning and TV. There is free internet access in all rooms.
