Privately owned coaches enable us to have the monopoly to supply with excellent transfers services and competitive prices from the airport to hotels.

Our fleet which is used for airport transfers and excursions, consists of luxury owned and leased busses as well as and limos driven by experienced and in tourism educated drivers. They are all in compliance with the latest EU quality and safety standards, equipped with the latest audio visual equipment and have unlimited insurance cover for all passengers. Our experienced drivers will be willing to assist in every situation.

Our company is one of the strongest providers of transfers in Greece, having own stands at the arrival points of the main airports, stable shuttle bus transfers from the main airports to the main tourist regions. Our fleet consists of modern buses with capacity of 77, 60, 55, 49, 33 as well as 12 passengers. Furthermore, the contemporary buildings and our own maintenance department guarantees the excellent condition of our vehicles. All the vehicles are equipped with air-conditioned, TV, video, bar, WC, fitted seatbelts, reclining seats and on-board refreshments.
