Our Camping's position is in Peloponnese, 21 km west of Patras, at KATO ALISSOS beach.

It is in a nature and green environment. Olive trees, orange trees, lemon trees and many other kinds of trees and plant decorate all of the place.

You can enjoy your swimming in our big-length beach.

Taste our traditional recipes under the shadow of the 1000 years old and huge wild olive tree, with the view of Patraikos bay and the city of Patras.

Visit the see-sights of our area and learn about the ancient and present Greek culture.
