The luxurious rooms and studios are an ideal choice for those looking for an elegant and luxurious hotel with sea views. Alykes Studios & Suites is designed and built according to the Cycladic architecture combining white and blue as well as local materials such as marble. The careful selection of high quality construction materials that ensure to the maximum the sound and heat insulation of the building, the modern comforts, the quality accommodation and the aura of Naxian hospitality that is diffused in the hotel are a guarantee for a unique holiday experience.
