Our suites are the perfect choice for friends, family, and couples.

The concept of our hotel, one of the most modern hotels in Keramoti, is the attention to detail, excellent quality of services, and minimal design. Our modern, fully equipped suites & apartments are perfectly located not only 200m from the beach but also close to popular destinations i.e. Kavala, Thasos, and Nestos Delta.

Keramoti is an ideal destination in North Greece both for nature lovers who will enjoy many sport activities and for those who seek to relax and enjoy sunbathing and refreshing dips in the crystal clear waters.
