Geo Travel is an inbound tour agency with a history of more than 15 years in the area of the tourist business and was founded by Mr Yiannis Georgopoulos in Pyrgos Ilia, the administrative center of Ilia region. Since the very beginning of his business venture, Geo Travel team managed to establish a long-term collaboration with tour operators in Europe and within few years expanded with important partnerships. The branch offices of our company are located in the busy picturesque cruise-port Katakolon, the gate to Olympia archaeological site and museum. Our team has expanded and solidified over the years offering a wide range of specialized services combing experience and ambition.
