REGINA CON. IOANNIDIS S.A. is a family owned company placed in the industrial area of Kalochori close to Thessaloniki and covers an area of 50.000 m2. It is a mainly export, recognized olive company with almost 45 years of experience in the process, packaging and trade of olives. The company is processing and packaging over 10.000 tons annually, and exports goods all over Europe, in United States, Canada, Australia and also in Arabic countries. The idea behind the company is to promote to international markets this well known Greek product in all possible forms of packaging, providing appropriate storage conditions and the most appropriate machinery.
