Fax: 2104170360

You can enjoy your drink or refreshment from our bar in our lounge area. Every room has central heating and air-conditioning. We look forward to your visit! A clean and fairly cheap place that was close to the Port so we could easily and quickly catch the early morning ferry to Mykonos. It was also close enough to the metro station so we could walk to it to get to the city center for our free day of exploring Athens.
