Ikaros Beach Luxury Resort & Spa is stoned-built on a small hill, surrounded by the blue crystal waters of Aegean Sea. 80% of its accommodations have spectacular sea views. You may prefer extra privacy and relax by choosing a bungalow or a suite with private pool or outdoors jacuzzi. The main dining room will offer you excellent service and a big variety of local and international tastes. Enjoy more attentive service and Cretan specialties at our ouzeri and fine service & flavors at Ayeri restaurant. Room service may add to your privacy and will satisfy all your

needs from a bottle of mineral to a party by your private pool. Our bars offer relaxing times and views over the sea. Experience the Ikaros style of hospitality and gain long lasting memories and the strong wish to come back.
