In 1958 the Kourkounis Family founded MINOS TRAVEL as coach Rental Company. It was the only company at that time with its own coaches. The company continues operations today with its main clients being Creta travel Bureau (main client – TUI).

Last year it moved into a company owned site.

In 1974, as tourism in Crete began to flourish, we added ALFA to our operations.

In 1976, we established KOURKOUNIS TOURS, as another branch of our operations to organize and operate group tours. The first air-conditioned coaches were added to the main fleet in 1977.

As of 1989, Kourkounis Tours has had its own contracts with tour operators and travel agents bringing holidaymakers to Greece. In 1996, it incorporated as S.A (Societe Anonyme) while the Third generation of family members became active in company operations. In response to our commitment in providing a high standard of services to our clients, a number of tour operators have sought our co-operation on their own initiative.
