The 23 luxurious and comfortable rooms with rich facilities and amenities will create a good mood for our guests. Nine of our rooms overlook the volcano and the spectacular breathtaking view of the sea, especially during the hours of sunset and twilight; it is the best justification and reward for your decision to choose Santorini and particularly Astir Thira Hotel for your vacations. All our guests are welcome to take advantage of the wi-fi internet access and of the powerful computer available at the reception, for surfing in their favorite websites and social media.
