There are lots of unique holiday destinations to be discovered all around Greece. One such place is that of the Pelion peninsula - a magical and stunning destination that is perfect for holidays and travel throughout the year. Whichever season you visit Pelion will be a beautiful experience. Mount Pelion is situated on the eastern coast of the mainland between the capital city of Athens in the south and Thessaloniki in the north. It is a very easy place to reach with excellent road networks with the journey time from Athens between 3-4 hours, and from Thessaloniki 2-3 hours. There is also the Nea Anhialos airport which serves the city of Volos and the great region. There are many charming towns found all around Pelion on the coast of the Pagasitic Gulf in the west and south, and the Aegean sea in the east. The Pagasitic Gulf provides a beautiful and peaceful setting for your holidays in Pelion, and the calm and crystal clear waters are just perfect for those hot summer months. Milina is one of the most popular coastal resorts in Pelion and attracts visitors from all over the world who come to enjoy the peaceful and relaxing environment. Just under 50km from the city of Volos, and 7km from the village of Lafkos, Milina is a paradise for all those who visit. It's here in Milina in a very quiet and beautiful location that you will find Violeta Studios and Apartments. We are located just 20 meters from the sea and a small beach - the perfect setting for your holidays in Pelion. We offer a great selection of comfortable accommodation for our guests, and look forward to offering you a very warm and friendly welcome. If you have any questions or would like to know more about our studios and apartments

then please feel free to contact us. We will be very happy to hear from you and help with any enquires that you might have.
