The green island of Thassos that combines beautiful beaches with the crystal clear waters and original mountain views is the perfect destination for every visitor! Whether it is families who value comfort, safety and economy, or they are young with thirst of exploration and discovery and searching for unique landscapes and fun. A place that meets the needs of the most demanding is definitely Skala Panagia with the famous Golden Beach. In this location, combining mountain and sea, and just one minute from the Golden Beach are the Golden Blue Studios.
