Welcome to Folegandros – Folegandros is a small Greek island in the Aegean Sea in the southern part of the Cyclades. Its surface area is about 32 square kilometres (12 sq mi) and it has 667 in-habitants. It has three small villages, Chora, Karavostasis, and Ano Meria, which are connected by a paved road. Welcome to Cyclades – The Cyclades is a Greek island group in the Aegean Sea, southeast of mainland Greece and a former administrative prefecture of Greece. They are one of the island groups which constitute the Aegean archipelago. The name refers to the islands around the sacred island of Delos. The Cyclades is where the native Greek breed of cat (the Aegean cat) originated.
