Our captain, Konstantinos, is experienced to accompany tourists sightseeing along the beautiful coastline of “Pilio”, to the traditional island of “Trikeri”, to the bay of “Nies” and the fishing village “Agia Kiriaki”. With more demand for sightseeing tours, Captain Konstantinos would extend to explore the Northern Sporades.

After getting to meet captains from larger tourist vessels during these excursions, he gradually developed the desire to acquire a professional vessel for safer and more comfortable voyages. Thus, in 1993, a wooden ship from Liberti, Kavala, was purchased and named after his spouse, "Elisabet" as a tradition.

Due to our experience and success of our excursions, in 1997, we purchased our second ship with a capacity of 250 guests, making it the cornerstone of our family company; "Elisabet Naval Company". Many different ships follow throughout the years, such as Grambousa, Elisabet III, and Sofia Star. Our current fleet includes Elisabet II, Elisabet-Demetra, Kapetan Kostas, and the new acquisition, Elisabet-Anna.

At Elisabet Cruises, our main goal is to fulfil our guests with utmost relaxation and continuously offer exciting memories for our guests to be included in a fun and unforgettable cruise of their life.

In 2021, our family company had accompanied travellers from around the world to come on board and sail the sparkling Aegean Sea with unforgettable moments to take home. Come join us onboard for a redefined cruise vacationing and explore the
