Η επιχείρηση "Can International" αναλαμβάνει με συνέπεια και επαγγελματισμό διεθνείς μεταφορές.

CAN was founded in Piraeus in 2003. Today after a unique journey of creative growth and through amazing developments in the business field is recognized as the leading forwarder in Greece for various destinations in the area of Mediterranean Sea, as well as a professional and reliable solution offering a wide range of services for all other worldwide destinations. We offer high quality services in combination with competitive prices, keeping you certain that your cargo will be handled by a professional and experienced staff with a deep knowledge of the areas of their responsibility. Our clients have access to special sea freight, airfreight, and road freight rates. Our buying power with the principle carriers enable us to provide some excellent prices to our clients for both full container load services and worldwide general freight forwarding solutions .
